Sir:

The final Office Action mailed November 12, 2003, has been carefully considered. Applicant notes that the cover page incorrectly identifies the action as a Quayle Action with a shortened statutory one-month period for reply. Applicant confirmed with Examiner Asinovsky via telephone on November 20, 2003, that the action should be treated as a final Office Action with a shortened statutory three-month period for reply. In response thereto, please enter the following amendments and consider the following remarks.
